Dave and family, What a remarkable woman! Widowed three times and still optimistic, blessing lives and keeping the faith. We didn't know her well, but we know you. You are the reflection of a wonderful woman! Our hearts are warmed to think of her long-awaited reunion with your father. May the Lord bless you all at this tender time. Richard and Lori

Thanks to Jean's prodding via email in 2015, I had the opportunity to meet her and do a Salt Lake Tribune story about the 50-year anniversary of the Cougar Club tragedy. I really enjoyed that conversation, while also meeting David in the process. My best to the family.

Jean was a wonderful person, and always had a special way of making us feel welcome and loved whenever we were around her. Her kindness, integrity, and grace will remain in our memories. We know she taught her family well to face adversity with faith in God, and we pray for His comfort to be with them in this difficult time. May her memory be a blessing. Frank and Jenn Lee
