I love you Aunt Jean. You came to my rescue when I was a mere two weeks old and never left my side spiritually and have been there for me in every other way imaginable. Unconditional love for sure a true guardian Angel. Rest In Peace my precious Angel. Sharon say’s you’re the kindest person on Earth, she loves you and cherishes you and will miss you more than she could say. We’re so saddened by your passing. I hope one day I will find comfort knowing you’re in a better place and the suffering has come to an end for you. God bless you. Please tell my Dad I said hello. Sweet Dreams. Your Nephew and Sharon

Thank you Mike but I wanted to give the family and especially you my deepest sympathy for your devastating loss. I know how much she meant to you and how devastated you must be. . Aunt Jean was the kindest, most genuine woman I’ve ever had the pleasure to know. She was such a great role model in every way. I strive to be half the Woman she was. . She was non judge mental and loving and truly caring. I was lucky to have met her and had her in my life. Thank you. God bless. Rest In Peace Aunt Jean.
