

Jeanne Lyman Rigby

August 8, 1934 ~ July 17, 2025

I just heard of Jeanne's passing today (10/21/2025). Jeanne touched my life in such a wonderful way. When she moved to live closer to her sister she was unable to bring her buddy, Mate (shih tzu dog). She was stressed about what would happen to him and what she would do with him. I had occasionally walked Mate for her so she asked if I'd like him. OF COURSE I WOULD! I cherish that doggie and love him so much. I am so thankful to Jeanne for trusting me. Mate was able to go visit Jeanne a few times and we had fun talking while Mate hugged on her. She missed him a lot but knew he was in a great home and loved completely which I know was a great relief to her. As usual, life is busy. I have been thinking of Jeanne a lot lately and nagging myself that it'd been awhile since I brought Mate over and that I should contact her soon. And then today, I heard. I'm sending her family hugs and prayers. Please know how much she meant to me. -Natasha
