I worked with Jeff for a little while and really enjoyed working with him. I thoroughly enjoyed hearing about his concerts and traveling adventures. My joke to him was that I lived life through him!! He'd send me pics....amazing pics of his travels. And then tell me stories about the friends he'd made along the way. I was always in awe. He was a good man and his kindness was genuine. I was able to speak with him on Thanksgiving and hear about his latest adventure to Australia. I will pray for his family, who he often spoke of. He enjoyed his adventures with all of you. Jeff will be greatly missed.

My deepest and most sincere condolences to the entire family. I had the privilege of meeting Jeff through working together. He was always so kind-hearted with everyone. I'm grateful that I was able to complete the Grand Canyon hike with him which I could tell he loved sharing with everyone. It also meant a lot to me that every birthday, holiday, and Lakers or Dodgers win or loss, he reached out to congratulate or console. I will always remember Jeff fondly.

Jeff was truly one of a kind, and I knew he was special from the first day I met him. We worked together for a few years, and despite our age difference, he quickly became a close friend. Jeff taught me so much. He taught me to always stay humble, and to never stop paying it forward…. To not take life so seriously, and to find humor and joy in the mundane. Jeff loved his lawn, his Honda, and his family. DMB, fry sauce, Carolina blue, the first signs of winter, his church, cannon balls, the Gorge. Jeff was my concert buddy, travel companion, and my biggest

cheerleader. And yet I was one of many… Jeff touched so many lives, and it was an absolute honor to know him. My heart goes out to his family. I'll be praying that you may all find peace during this time, and know that we all loved him so much.
