Sending our love from Pennsylvania and praying for your comfort in the many beautiful memories you treasure!

Jeff was my first cousin and I have such fond memories of him. He was always so kind and gentle. I am so incredibly sad to hear of his passing. Much love to his family. I'm sure he is embraced by his parents on the other side who loved him so much.

I was just thinking about you old friend and decided to look in the obituaries and here you are ■ Jeff and I met at Todd Uniforms and worked together at Aramark. I tried to stay in touch as much as possible, he'd come to mind from time to time. I will always remember our Aramark Hawaii trip, Jeff and Luly dancing and doing the Macarena together. My deepest condolences to Luly and the Price family. ■■■■ 3/9/2025
