I worked with Jeff at Primary Children's for more than 20 years. Jeff told me about all his boys baseball games, every year / every game. He was proud of his kids and proud of his work. He was meticulous about every job he did. I'd deeply saddened to hear about Jeff passing. He was a great man and friend. Travis Harn

I am deeply saddened to learn of the passing of Jeff, and my deepest condolences go out to your family. I got to know Jeff at Primary Children's Hospital Behavioral Health facility @ Wasatch Canyons. Our buildings have seen better days and he always had great ideas on how to remedy tweaks to projects. He always had a smile on his face and I found him to be very kind when he would stop in. We would also chat about sports, as my youngest daughter and Marc were both athletes and friends in high school. May peace be with your family with the loss of this wonderful man!
