Jennie was one of the greatest blessings of my life—the dearest friend anyone could ever have! Oh what fun we had together, and what laughter! The memories will last forever, as will her wonderful example of love and goodness which she showered on me and everyone else. Oh, how I loved this beautiful redhead.! So grateful that our friendship will go on and on forever! My love, thoughts, and prayers are with all her dear family., as are my husband,'s, children (they know all about Jennie), my siblings, and my 100 year old mother, Mary. We all hope Jennie will be our guardian angel.

After visiting the Scriber family almost every month for 5 years or more, it will be sad to not be welcomed by Jennie. Her always positive attitude was indeed contagious. We need more persons like her in this world. I pray that Kirk will be able to have faith in what I truly know that he will be able to be with Jennie again...and forever.

- Tom Tomer

My words just don't seem enough to express the deep respect and love ,We both feel for Jennie our Sister in law.Such fun,so funny,so loving...pure perfection. We both wanted another trip with her and Kirk guess we will wait until we all are in Heaven. In the mean time I will laugh with you in my heart..Love you forever,and I've promised to call regularly to "Keep your Mate" in line for your girls as needed .I just heard you laugh.

How sorry we are to hear of our sweet Jennie's passing. We are grateful for the wonderful memories we have of visiting her and the family when we came up from St. George years ago. We wish that we could have seen more of her in our adult years....at reunions, etc. Sweet Sherry has kept us informed of her and Frank over the years which has been helpful. We send our love and prayers to Kirk and the girls. We pray you will feel the loving arms of our Savior surround you at this time to give you peace and comfort. She was a special person. They invited me to visit them as a Graduation present. I've never forgotten the feeling of family. Over the years our contact has be limited but meaningful. Lately it's been with other family members passing. I visit my brother, mother, and fathers grave site every year. She will be part of my thoughts there and I am

sure periodically at other times. Thank you Jennie for all you've done for our family, all the heartfelt care. You will be remembered.
