Steve, Dave, Scott, Cathy, Kim, Jason Sarah, Zac, Charlotte and Max - my deepest condolences for your loss o your daughter, sister, mother and grandmother. I am so very sorry I am unable to be there. I send my love and support. I pray you will find peace. I am grateful for your family and the memories of the fun times with my dear friend, Jenn. Summer sleepovers and board games, Yahtzee tournaments and babysitting. Running, walking to and from the bus for school, hanging out and going to movies. Later in life going to the temple, dinner and shopping. Getting into great conversations and laughing! I will miss you my dear sweet friend!! Much love to your family. Melanie

Stephen and family, I am so sorry for your loss. I bet she was a very loving, caring and talented woman. I tended for your family in the monument park 6th ward, and loved you all so much. May Heavenly Father wrap you all in his arms and let you know you are loved.

Our thoughts and prayers are with you all We know that this mortal life is not the end and we will see our loved ones again as Resurrection morning dawns. Christ is our Savior and Redeemer who bestowed the sealing power to our prophets to seal on earth which seals family in heaven. Let us share this glorious message with our brothers and sisters so they too can receive these blessings. Her example of smiling is contagious.

Dear Steven and family, I was sorry to hear of Jennifer's passing. I will miss her sweet smile and visiting with her. I will miss her sharing a sneak preview of the special cutting projects she was working on for friends and family. And then I will miss her telling me about her family she was so proud of you. May you feel the healing comfort of the Lord Jesus Christ at this time. With love and friendship, Lorna Cline
