I am going to miss you so much my sweet Jenny!!! We had so much for tripping around the world, going to plays and just visiting. From babysitting you to watching you grow up into such a beautiful woman, it was always fun being with you. Our family will never be the same without you. I will miss you and love you always. Until we see each other again ..... I love you!! Love you, ~Diane~

Jenny was an amazing friend to me, she was thoughtful and considerate, and always saw the positive side of things! I am so happy we met, worked together and became such good friends. She was so close to her mother Joyce and talked about her often. I want to send my condolences, my love and a huge hug to her mother and her family. I will miss her and loved her a lot.

I am so sorry for the loss of your sweet daughter, sister and aunt, Jenny. I have fond memories of growing up in the same ward with the Romig family and remember Jenny's ever present smile and sweet demeanor. My thoughts and prayers are with your family during this profoundly difficult time.

- Erin (Boswell) Novotny

My heart felt condolences go out to the entire Romig family. I love you all, but Jenny has a special place in my heart's memory. She was a peaceful influence in our home when she visited. Her beaming smile and kind ways filled our home and helped us to be a little more loving when she was around. I treasure the friendship she had with Kameo. Thank you for having the funeral online. What a blessing it was to watch. Love and peace wished your way!

I worked with Jenny and Jared at the Phoenix Discover site. Jenny was at that time in the training services. Was a joy and very a passionate person. Jared and I worked together in charge off for a brief time as well. Jared always said, "hi" and would chat. Jenny always seemed a little more reserved, but was a great teacher. She will be missed by many and never forgotten in our hearts. Great memories to hang on too. Blessings to all your family.
