I am so thankful to have known and loved Jenny and the whole Murdock family. You all were an extension of the Hoefer family. We loved you as our own and you all loved us as yours. I remember the first time I went over to your house back in the mid 70’s. Jenny was vacuuming and singing scales at the top of her lungs. I looked at all the kids (likely Kenny, Keri, Koni) and you all said “Oh, she does that all the time”. Who would have thought that she would teach me to sing?! What a wonderful change to my life. The Murdock kids were my “best” friends”. I love you dearly and always will. Kenny and I were inseparable. Many didn’t understand our relationship (girl and boy buddies) but we had a blast together, dancing, singing, and marching band. Jenny welcomed me into her home as a friend to

her children. Who would have thought she and I would have been roommate's with Nicole my daughter Nicole, coworkers and friends? I'm thankful. Jenny was my mom's dearest friend. They traveled together. They supported each other as only gal pals can do. They raised their children together (with my dad as well). Jenny was such a hard worker. She was brilliant. She loved to challenge you to be all you could be, but that was part of the way she loved. She would laugh till she cried, loved deeply and sang beautifully. Jenny was an incredibly strong woman carrying the world on her shoulders and still gave more. Kenny, Keri, Koni, Kristie, Kelly and family, Mom and I send our love and sincere condolence. Jenny, the suffering is over. Well done good and faithful servant. Love you.
