

Jenny Lyn Dean

June 23, 1976 ~ January 31, 2025

My heartfelt condolences to Jenny's family and all who are mourning the loss of her light and laughter. Jenny is an amazing soul who brought a smile everywhere she went. She brought her natural artistic talents to our coding team at the U and went the extra mile by working on committees for office parties, decorations, and everyday morale. She left our team to pursue other avenues in life but the memories she left in that wake of going on to new adventures are sweet and remain a part of my life. The people we meet in life are no coincidence. I'm so glad our paths crossed and she has a place in and blessed my life. May peace and comfort be yours in the days ahead and may you solidly know she's truly just off to another new adventure. ❤

I am so sorry to hear about Jenny's passing. I remember walking into Albertson's and seeing Jenny working with a smile always on her face. Carie and family, words will never convey how saddened I am on your loss. Please know you are all in my thoughts and prayers. Jenny sounded like a wonderful person.

I have missed seeing Jenny these last few years. She fostered a couple of dogs for my dog rescue and was so loving and caring and gave them such wonderful place to stay until they found their homes. Jenny was such a sweet, caring woman. Much love to her friends and family, so very sorry to hear of her passing.
