

Jerald E Hoskins

March 4, 1943 ~ October 13, 2020

What a blessing to have come into your lives in Hong Kong. Friendships made to last forever. Jerry was always lovable and had such a great sense of humor. Between the two of you we always had a smile on our faces. He influenced our lives for good and was always strong in his testimony of our Savior. He is now in His loving arms. He has left an imprint on our lives. Love and prayers for Jackie and family.

You have had a great week. My sister called it choreographed. You had your daughters home. You have had moments to spend one-on-one. Jerald will be missed. As I watched the pictures, I marveled at the amazing opportunities you and your Sweetheart have had and the wonderful posterity that you have. You have so many friends and neighbors that surround you.

He was such a good example of a Latter-Day Saint. I remember his enthusiasm for finding the one. Several people are active now because he became a friend to them when they needed one. I sang in the choir with him and his hymn of choice was always, "How Great Thou Art." Whenever I hear that song It reminds me of our good friend Jerry. So sorry to hear of his passing. Much love and prayers to Jackie and the girls. Sincerely, Pat Larsen
