Jerri is a great lady, wonderful mom, aunt, grandma and friend. Loved her smile and kindness. She will be missed. Grateful she has graduated from mortality. I know that each of you as her family will be attended at this time by extra portions of the spirit as you walk thru this transition. Know you are loved so tenderly by your Heavenly Father who Jerri knows so well.

I am so sorry to hear of Jerri’s passing. I have a so many fun memories with Pam, Sally, James and my kids when they were all younger (camping in Moab, hiking to the arches, hiking to Timpanogos cave, just to name a few; many get together’s with Lela and Janet’s family. We were like family. It’s comforting to know she is no longer suffering

and is in a better place. ♥■❤■
