

Jerrol Lynn Holtby

June 18, 1948 ~ April 19, 2021

Hi Chris. It's Gary's ex, Susan. Jill sent me Lynn's obit. So sorry to hear of his passing. Always liked him...a great guy! It's been many years since we've seen each other. I hope you and your family are doing ok. Love, Susan.

I am so sorry to hear about Lynn's passing. I spent many childhood afternoons at the Holtby home playing with Emily. Lynn was always so welcoming, kind and happy to be around. He and Chris made everyone feel at home there. They have been great neighbors to my family and especially my parents. I'm sure Lynn's family will miss him dearly. Grateful that families are forever!

My sincere condolences on Lynn's passing. I will always remember what a good-natured, friendly and caring person he was. I have very fond memories of attending scouting activities in Lynn's garage or basement, tinkering around with projects and earning merit badges. I also appreciate the great friendship that Lynn and Chris have had with my parents over the years. He will truly be missed but I know you all will be together again.

Lynn served as a very fun and dedicated scoutmaster for 17 years. I was privileged to assist him for part of that time. He was always more than prepared, and the boys learned what they needed to, while enjoying themselves at the same time. He will be missed by many for his many skills, service, and positive attitude.

Lynn, I loved hearing about you always helping your grandchildren with different experiments and projects. It varied from school projects to the Pinewood Derby to school field day to much more. Thank you for teaching Maxwell about work by allowing him to work beside you in your yard and your neighbors. And finally, thank you for giving me an amazing friend in your beautiful and loving daughter, Sara.

I have fond memories of Lynn at the dance concerts and football games- cheering on the drill team. He had a happy, gentle way about him. Whenever we were hanging out at Sara's he would show up with the guitar in the kitchen, the tools for our outdoor shenanigans or at least the perfect dad joke. I'll remember Lynn as kind and loving! He will be missed. What a great life he lived!! Sending my love.

Holtby Family I'm so sorry. Lynn was always so kind any time I interacted with him. Matt and I remember him consistently having a smile to greet us and his smile will always remain in my memory. I enjoyed many experiences at the Holtby residence growing up and have only fond memories of how he interacted with us as teenagers. I'm sorry you lost him so soon and so suddenly. Our prayers are with you all. Much love Matt and Trisha Deming.

Dear Chris, Emily, Sarah, and Mike What a wonderful time we had raising our families on Oak Valley Drive. Such fun summers with block parties and great winters with Lynn pulling all the neighborhood kids on sleds behind his truck!! So scary but so fun. So many memories All of you have a place forever in the Lee's hearts

- Richard and Rose Lee

My condolences to you and your loved ones. I remember Lynn in our early years. We would see each other mostly in the Dennis Holtby gatherings. I remember him as a fun guy, easy to be around.

- Jill Margetts- Moshier (Gary's sister)

Dear Chris (and family), I was saddened to learn of Lynn's passing. I remember him and you fondly and our times together playing music and enjoying our camaraderie in the University of Utah bands. We had a lot of fun. I also remember having the honor of serving as Lynn's best man at your wedding. While I have fallen out of touch, it is obvious that you two had a wonderful life together with three children and 12 grand children. You are to be congratulated and continued to be blessed. Despite the distance in time, I still remember my benefiting from Lynn's light-hearted nature, his down-to-earth practical thinking and his personal friendship. I wish you comfort as you adjust to this new phase of life. Sincerely, Bill

Dear Chris, Emily, Sara, and Mike... I recently heard of Lynn's Passing. My Family (Harper's) had the pleasure of having the Holtby Family as neighbors for 18 years! I truly loved Lynn as a friend and neighbor. Lynn and I had code names as Posh and Posh Construction. We would help each other with yard work and construction projects etc. He made it fun, we always laughed which made the projects actually fun. I'll always remember him as my

buddy Posh. I'm so sorry for your loss!
