Aunt Karen and family I am so sorry for your loss. Uncle Jerry was so much fun while growing up and such a wonderful artist. I am honored that some of his paintings hang in my home. Your family is in my prayers. Love to all of you.

He was my high-school art teacher. I will never forget him! What a wonderful teacher and person. I'm so sorry for your loss!

Mr Durrant was one of the funnest teachers at West Jordan. His classroom was always a happy place. There was lots of time for him to teach me and tons of teasing. But it was always in a kind way. He loved art and it showed! He wouldn't let us turn in work when he knew we could do better. Pushing us to be always be better. RIP Mr Durrant!

I am so very sorry to hear of Jerry’s passing. I spent six years with him at West Jordan High. I feel honored and privileged to have a piece of his beautiful art on my living room wall. He was an amazing friend and colleague. Please accept my sincerest condolences.

Mr. Durrant was one of my favorite teachers (West Jordan High--I graduated 1992). He genuinely cared about all students and made us feel individually important. And, of course, I loved the art lessons. I am sorry for your loss.

Dear Mrs. Durrant, Our office noted with sadness the passing of your husband, Jerry, and we wish to send our condolences and sincere sympathy to you and your family at this time of bereavement. As a member of Weber State University’s extended family, friends and associates will miss him. Dear Karen and Family, We are sorry to hear of Jerry's passing. We are so grateful for the fun times we always enjoyed with you during our Utah Jazz Seasons. Bill and Jerry never could figure out how Karen and I could talk, check out the arena with our binoculars, and still know what was going on with the game! Jerry was always one to keep you guessing if he was serious about something, or just pulling your leg. Like so many, we can say we have some of his art work in our home and will always cherish it. He will be missed and wish there were more people like him in this world! Our love to all of you.....

Dear Karen and Durrant Family members and friends, Karen and I were saddened to hear about Jerry's passing. We pray Heaven's Blessings of peace and healing during this tender time of transitions. Jerry's art work is up in our home in a couple of rooms here in Mesa, Arizona. We are sad that we can't attend his Celebration of Life services. I'm so sorry to hear of Jerry's passing. I admired him, learned from him and loved his sense of humor. Dad and I loved the times we went hunting and water skiing with him. I can't find the words...just one of very few people who touched my life deeply enough to make me want to be like him.

May you Rest In Peace. You were an amazing inspiration. My fondest memory of high school was on graduation night you came to me with such kind words and a big hug. My condolences to your family.
