January 16, 1946 ~ January 7, 2025

I'm so sorry for the loss of your Dad. Jesse was a dedicated and compassionate man, both as a husband and employee at the VA. It's been a tough year for your family, I hope your family remains close as both your Mom and Dad would have wished. Our sincere condolences, Andrea and Bob

Sending love, uncle Jess will be missed. In our earlier years he was my best friend. We walked to school together . Shared many memories and happy fun times.
