We certainly are saddened by hearing the news of Greg‘s Mother passing away. She was an amazing woman with a strong and positive influence on her family, church, and friends. We would be at the service, but at the present time we are living in Austria. Our condolences to the family.

My fondest memories of Jesse is her world class home made chocolate cake, baked in a roasting tin. Jesse would then give a huge shout out to the kids playing on Erringdon Close. ' Come and try it kids'. To all of my beautiful Dodd family your Mum was an amazing loving caring lady. RiP Jesse reunited with the love of her life Brian. Our thoughts and prayers are with all of you. Smile and always remember the happy times, your Mum was one in a million. We feel amazingly humble to be a part of this beautiful ladies life. Much love to you all, to our beautiful extended family ■❤■❤■❤
