

Jessie Grace Young

May 18, 1937 ~ April 30, 2022

I loved Jessie. We met one another while working at UCB over 42 years ago. Although she was 23 years older than me we became fast friends due to her young spirit. I remember many happy times with her and have kept photos and momentos of her cards and writings to me. Jessie bought a cloth doll for my daughter 39 years ago that is still precious to us. When I would go to Vegas, she would send me off with a roll of nickels. We kept touch for years, even visiting her in Sandy when she moved there. Sadly, we lost touch but she will always have very special place in my heart.
