I love you! I always have and always will.! Even before your passing I always tell the girls "the love that you're dad and had for each other, that was true love!" Jesse I promise to continue that love that we shared with our kids it's kind of crazy their story began with Sienna in September and 10 years almost exactly to the day we had our son! I promise to be the best mommy I can. Please give the strength I'm going to need I'm kind of scared knowing that I can't call you... but I know that you're an angel watching over us now I love you Jesse.

I will truly miss you my friend, brother. We had a lot of good times. I actually was thinking about the time we went to Wendover. You made me pull over four times cuz you thought something was wrong with your car. You will always be in my thoughts Jesse.
