

Jimmy Dean Payne

January 26, 1947 ~ July 9, 2025

Sorry to hear that Jimmy has passed away. I admired his Bridge playing, Bridge knowhow, and sense of humor. The devotion to his wife was vividly exposed every time that I saw them together. I shall miss him.

I am so very sorry about the passing of Jimmy. He was such a generous man when it come to playing bridge. He always had a smile and a good word to say to me. He was one of the really good guys.

So sorry for your loss Lee. He was a wonderful guy. Nicole has so many wonderful memories of helping when the family and children were little and how sweet and kind you always work to her.
