Most times Jim and I got together, we were gathered around Shane's barbecue. He was extremely fun to talk to. Just talking and enjoying the summer day. He always had a smile and laugh. I have good memories of a very good man. You will be missed...

I knew him from Lincoln High in San Jose. One of the nicest guys in school. And he will be missed. My sympathy to all his family.

I went to school with Jimmy and we graduated the same year from Lincoln. I will always remember him as the nicest guy. Your family was indeed lucky to have him and I am sure he will be remembered with love. Please accept my sincere sympathy, Gail Mitchell

I am sad I didn’t not get to see Jim again. He was a like an uncle to me when best friends with Catrina as children and young teens. They took me in for months when I needed to be away from home for a time. He knew how to annoy us but make us laugh at the same time. He was patient even when we were very loud!! I knew if I could not reach my parents he would be there if needed. I will always be thankful and miss the long chats we had and video game wars (Tetris and Dr Mario when I was supposed to be studying algebra). He was a great person and am sure bring grandpa brought him great joy!

Our deepest condolences to you and your family. Jimmy and I spent many years together in the Navy. We met each other while we were stationed on Recruiting Duty in Salt Lake City. We play co-ed softball for many years and had a blast. He always had a laugh that was contagious and truly love being around people and never had a bad word about anything. Anchors Away shipmate. See you on the other side.
