Christian, Rachel, and family. Sorry to hear of your Mom's passing; may the love of our Heavenly Father comfort you until you're with her and your Dad again. Much love, John H Wood

What wonderful memories I enjoy of Joan and her family growing up. We shared the same block of Stratford Avenue for more than a decade and vicariously through family for much longer. I can still see Joan laughing at a funny happening, sharing Christmas treats or singing with the Joyful Sounds. She added immensely to the wonderful culture of caring and kindness that I grew up with. I will always be grateful for that. My condolences to her family and loved ones.

JOAN WAS A SPECIAL FRIEND GROWING UP IN THE 29TH WARD AND OVER THE YEARS WHO I ADMIRER FOR HER CUTE SMILE AND FRIENDSHIP. MAY YOU CHILDREN AND GRANDCHILDREN CONTINUE TO REMEMBER HER KIND AND SWEET SPIRIT.

Just attended Joan's beautiful funeral....being in Stratford ward again brought a flood of memories. Joan and I were blessed to be mothers of quite a few kids who found great friendship in each others' families. Joan was such a great resource for tasty recipes---we gave each other permanents---even waited tables with her and her mother at some pretty prominent luncheons. Most of all we just shared serving responsibilities in the ward and neighborhood. She will be so missed by so many of us. She can take great pride in her beautiful family. Her oldest son, Todd, was her caregiver after Darrell passed away, and he was so conscientious and kind. Christian seemed to be his right-hand man in Joan's latest health struggles. She and Darrell can be so proud of their stalwart family....Bryan, Dawn, Todd, Mark and Christian!

I'm sorry for Joan's passing. I enjoyed being her colleague for many years. We worked together at IMC. I'll remember her wit along with her laughter. She was always positive and ready to help.
