Joan you were always a wonderful mother-in-law. When Mike and I were together you were always there when we needed you. Thank you for being a wonderful grandma to Cory. You will be greatly missed. Love you

We just loved having Joan as our neighbor. She was one of a kind, thoughtful, funny, and determined. We looked forward to her chats and loved her feisty attitude. Sending you all our love, Anthony, Jessica, and kids

I am so incredibly sorry for your loss! Joan was a fantastic neighbor for many, many years for me growing up and for my family (Ivie and Jeanne Nielson and, later, Rob and Ryan) after I moved out. We all loved to have her come over; we'd sit around and just talk and always laugh - those were some great memories! She was good lady, a good person, and I will cherish memories of her always!

I have great memories of Joan. Loved her laugh and smiles. Marie would bring her into Rite Aid to visit with me. Always had an upbeat attitude and smile to greet me. I enjoyed our conversations. I miss those times.

Spending summers with Joan, Jim, Mike and of course my heart relatives are some of my favorite memories. She would let me ride motorcycles in her neighborhood when I was very young. I will miss her. I remember her chasing Mike in my grandma's backyard and Mike doing the splits (ouch). So many fond memories.

Joanie, I'm so sad to know of your mom's passing. Joan has been a best friend to me for many years. Joan had such a happy outlook on life. We shared thousands of laughs and smiles, weekly. During her hair appointment. Joan had an amazing memory and never forgot to say "Hello" to someone. I will miss her fun and spirited personality. She was truly a wonderful lady. Love Diane Barker.
