I miss you, Aunt Joan. Thank you for making the world a brighter place and for being such a huge part of our family. I'm sure there's lots of laughter and hugs in heaven now that you're back with the family you've had to miss for so long. I love you, Joanie.

Joan was such a special friend. She made everyone feel as they were the most important person to her. If it wasn't for Joan pushing my husband into taking me on a date I would probably still be single. I love Joan and will surely miss her. I know she is having a wonderful reunion in heaven with her parents and sibling. Rest in peace Joan, I love you. ❤■

This was a beautiful and true tribute to our precious friend Joan. We have loved Joan and Carol being our neighbors. We enjoyed Carol's humor, and we got to know Joan best. Every interaction we had with her was filled with humility, patience, and love. From the moment we met her, we adored her. We truly feel so blessed to have her part of our lives! Love you forever and always precious Joan. Love, Jeremy, Amelia, Everhett, Florence, Vivian, Talmage, Calvin, and Mitchell

Joan was the sweetest, most loving, caring and humble neighbor and friend. We feel the void of her absence, yet we are happy that she gets to be free from physical pain and be with her sister and loved ones who have gone before her. May God be with her family and those whom she loved, and also loved her, during this time of mourning.
