

Joan Willoughby Holmes

May 16, 1942 ~ June 7, 2024

Beautifully written to commemorate a beautiful life. I'll travel up for the funeral and see you then but grieving from afar until. She made every room she was in better.

Dear Bruce and family..we send you our deepest condolences and many prayers to comfort you. We are so very sorry for your loss... I will always remember Joan and her kindness toward me. I stopped at your apartment once on the way home from nursing school and she invited me in. She was making peach cobbler Flavored with almond flavoring. I was a very hungry nursing student And it smelled so good ... she offered me a piece of her cobbler....I hadn't eaten all day and she was so sweet and kind to me . I will always remember her kindness. She was such a good lady. And a very sweet friend. I shall miss her knowing she's not here...

Joan has always been such a kind, loving and caring person! I am her brother and I have always thought of her and our sister Carole as my guardian angels sent from heaven! Joan has always been there for me and our siblings. I love her more than I can ever say and I will miss her so much. My heart breaks for Bruce and their family and they are in our thoughts and prayers that The Lord will always watch over them until they are reunited again.
