Dear Liz and Brett, We are so sorry to hear of the passing of your mother. She was always so kind and loving every time we met her at our kids ballgames or when she would be with you at church functions. She was a very sweet lady. Your mother was an extraordinary woman, raising 4 boys is a brave thing to do! Her obituary paints a perfect picture of who she was and describes her to a tee. I remember her always see wearing a big smile and happy to visit with everyone she met. I think we received some of that wonderful fish at Christmas time.

I'm so sorry to hear about your amazing, beautiful mom. Although I wasn't able to see her often, the times I did, she was so sweet and I really enjoyed talking to her. What a great, classy, giving and caring lady she was. I feel bad I was unable to be there with you today, to give my condolences in person and to listen to your memories of her. What a great family she has.

Family reunions and holiday celebrations were some of our favorite memories of JoAnn. We will miss her beautiful smile. I recently moved back to Sandy and of course drive by the golf course on occasion. It brought back lots of go memories of spending time there and in the Schneiter home. Liz was a very good friend of mine during high-school and my young adult years. For the life of me I couldn't remember JoAnn name and I always knew her as Liz mom. I happened to look at George obituary because I could see her name. Opon doing that I found that she passed away. I was so saddened to see that she passed away last year. She was always very welcoming to me and I felt loved. She was always gorgeous and put together. The beautiful red car suited her well that she drove around in. I continued to have a lasting friendship with Liz and I'm eternally grateful for that. My condolences to the Schneiter family.
