

Joanne Bushman Doxey

April 17, 1932 ~ Nov. 7, 2020

Dear Brother Doxey and family, We grieve Joanne's passing along with you. What a sweet lady she always was! She was ready to offer kind, encouraging words whenever she visited our home to craft a new song with our mom, Marge, and deferred taking sole credit for any of their collaborations. Her gentleness was a blessing to all. How grateful we are for her influence and goodness, carrying the Doxey-Castleton-Kjar friendship for four-plus generations. Thank you for sharing her with our family. We pray for your family. With love, Debbie and Dean

I was saddened to see of the passing of Sister Doxey. We worked together on some projects when I was employed by the Church in Audio Visual. She is a great lady and will be missed. My love and sincerest condolences. Orval Fox Jr Former Employee of LDSAV

Dear Doxey Family, We are saddened by the passing of dear Joanne. I know Marj and Morrie were anxious to greet her. Marj probably has plenty of songs waiting for Joanne's touch to make them just right. I can see the two of them collaborating already. We will forever be grateful for the kindness, love, and selflessness of both Dave and Joanne to our family. Joanne was so kind to visit Mom at the assisted living center and it always made Mom cry when Joanne left. Marj loved Joanne like a sister. They were quite a pair together and they still are. We can't thank your family enough for being so faithful and dear to our parents over a lifetime of friendship. May God bless your

family and especially dear David with many tender mercies as you pass through this difficult period. We know Joanne's testimony was a gift expressed through her many songs just as Marj's testimony came through her fingers at the piano. Our gratitude goes out to you forever and ever. Much Love, Joe & Anne Kjar

To Gary, Debbie and Family, Please know of my sincere condolences to you and all of the Doxey - Bushman families. Reading about Joanne's life, family and service was inspiring. Having served in a neighboring mission in Spain, with one year overlapping when your parents served in Barcelona, I often heard of President and Sister Doxey and how much the missionaries and members loved them. May the Lord's peace and strength be felt by all. Very sincerely, Sherie Rogde

To Gary / Debbie, Steve / Liz and Debbie /Bob. I was sorry to hear about the passing of your beautiful mother. I only met her a few times but could tell she was a choice lady. During this trying time it makes one reflect and grateful for the gospel and knowledge of before and afterlife but especially the faith we will see and be with our loved ones again. I still have fond memories and our times at B.Y.U. May prayers and faith be of comfort to you all.

- Ann Willey

So loved the forty years or so that I knew your mom in the ward! My sister, Sue, was on the General Board with her. I will never forget, as a young mother, she advised me, "Just focus on your children and Church will be your place where you learn, serve, and form friendships. That is all you need!" It was a pattern of simplifying life that was very helpful to me. I was running off in all directions at once, so it was good counsel. I admired her scholarship and interest in learning and studying the Gospel, but she balanced that with teaching and serving others. I will miss her comments in Church classes, and her gentle encouragement when we met in the hallways, but I feel strongly she is

happy, safe, and excited about all the possibilities of her new stage of life. Love you all... Becky

Joanne was a special lady. I'm Roger Brown's wife whose mother was Dorothy Murdock Brown. Whenever I had the opportunity to be around Joanne, she was always so sweet & kind to me. I loved the songs she wrote, especially "Where Love Is". She was, and still is, a talented & elect lady. My prayers go out to you, Brother Doxey, and your family. Grateful for our Savior and the knowledge that families can be together forever! With love, Sue Brown

Dear Dave and beautiful family, so sorry for your loss, my friend and a woman I've long admired since I first met her in my Monument Park 8th Ward. (Years later your brother, Graham W. Doxey from my home ward became bishop in our University 2nd Ward until my husband Jim Wiseman was electrocuted 4/27/64 & died 5/7/64--and it was he who suggested I serve a mission, which I did in Scotland.) Anyway years later after teaching at the Mission Home a couple of years, I became an advisor for Lambda Delta Sigma at LDS Business College. A while later, I was called by the Relief Society General Board to be the "Social Director Over the Western U.S. Lambda Delta Sigma Chapters." Joanne was then a counselor to The General R.S. President, Barbara Winder. We had some fabulous times together! What a talented wife and mother you have! I'll miss Joanne and will be remembering you all in my prayers that your hearts will be comforted at this difficult time. Love, Nadine Nelson Allen & Family.

Queridos Doxey. Les mando mis condolencias por la muerte de la hermana Doxey. La he querido y admirado mucho, he aprendido muchas cosas de ella y la he respetado con todo mi corazón. Las personas como ella tienen una fortuna en sus manos, el cariño de muchos. Espero que pronto encuentren el alivio en su dolor y sean capaces de sólo recordar las cosas bellas de la vida. Atentamente.

I want the family to know how much I loved serving in the mission office with the Doxeyes in Barcelona. I was the records secretary for 6 months and what I loved the most was studying scriptures with the Doxey family every morning in the mission home. I have such pleasant memories of meeting with the other missionaries and the family and studying the scriptures together. Thanks for the memories!

So sad to hear of Sister Doxey's passing. Truly a gifted and spiritual leader who welcomed everyone into her family circle. We cherish the two years we spent together in Madrid Spain where she has a profound impact on our lives. We extend our sympathies to President Doxey and the entire family. We love you all. Steve and Pat Boyden .

Our deepest sympathies to David and Joanne's family. We loved having Joanne as our neighbor. She was a wonderful, loving person and made us feel so welcome. She will be much missed.

We will miss the warm, warm greetings of Sister Doxey when the Madrid missionaries gathered for a reunion. We know she will be serving others as always, but we cannot be among them at this point. May her family, especially Elder Doxey, be comforted as she leaves him to carry on in this moral sphere. And we will forever think of her when we hear Primary children singing, "Where Love Is" and "Seek the Lord Early." Bless her for that legacy she left to us.

My deepest condolences to President Doxey and his wonderful family. I have such warm memories of Hermana Doxey and her kind example to me and all of the missionaries in Barcelona. I'm grateful for her service and strength. May you all be blessed with the peace our Savior promises at this short time of separation. With love, Dan Checketts

Dear Dave and Family - Don and I send our love and sympathy at this tender time. The funeral was beautiful and so inspiring. Your outstanding family is a wonderful tribute to you and Joanne. Joanne lived the gospel with dignity, faithfulness and a great love. Her great example has been a blessing in my life. May the Lord bless you all. Our love - The Ostlers

Dear Doxey Family, I am so sorry to hear the passing of Sister Doxey. She is a great example of love and kindness. I know her influence will be felt beyond the grave as we sing and enjoy her beautiful songs. You gave her a wonderful tribute COVID-19 style. I am sure she was smiling.

We appreciate the privilege of knowing Joanne and the blessing she was in our lives. She was the epitome of a servant leader and was a true disciple and friend of Christ. And as the Savior, she went about doing good. Brent enjoyed being a neighbor when he was still living at home and interacting with her on occasion when he came back to visit the Monument Park 13th (now the Indian Hills) Ward. Karen was fortunate to rub shoulders with Joanne when she served in the General Relief Society Presidency and Karen worked at the Relief Society Building. We are both better people for having known her. May the Lord bless you during this transitional time, Brent and Karen Bartholomew

Dear President Doxey, My heartfelt condolences on your loss. Sister Doxey was such a cheerful, bright person and will be missed. I wish I had known about the last mission reunion and been able to see her before she passed. May the Lord bring you comfort and peace.

Nuestro más sentido pésame, que Nuestro Padre Celestial bendiga a su familia, en tan tristes momentos, un abrazo.

Dear Doxeyes - Please accept my sympathy for the passing of your mom and wife. She was always so kind and friendly to me. I really admired that. I think that Elder Ballard's praise for her at the funeral yesterday was spot on. I still recall one time when she complimented me on my good manners when I was at the house on Roxbury - it was a small thing but made me feel like a million bucks. To my dear pals Steve, Jim and Gary, I wish I could put my arms around your shoulders and shed a tear with you for your Mom. May you have peace and comfort in the days to come. Reed

Chyleen and I send our sincere condolences to Pres. Doxey and the family on the passing of our dear friend and mentor while serving with you in the Spain Madrid Temple. You were both great examples to us of a relationship that was the epitome of an ideal partnership. She impacted our lives and the loves of the missionary couples in the Spain, Madrid temple. Foremost in our minds are the kindness, faithfulness and devotion which she made the core of her life work.. We loved her deeply..

- Lothaire and Chyleen Bluth

We send our sincere condolences to each of you in the Doxey Family. We were saddened to hear of Joanne's passing—and yet relieved for her, knowing that the last part of her earthly journey was challenging. She was a beautiful, accomplished, kind and good woman. We think fondly of the years we interacted with her and with your family, sharing joint family celebrations of many happy events. She will be missed by all. For those who participated in her funeral service, "thank you" for the lovely, tender words and music. Such a special tribute surely must have pleased Joanne's spirit, especially in seeing how each of you were the fruition of her maternal love, teachings, and example.

- LaRetta and Walter Arabasz

We have known and loved Joanne for many, many years, along with her husband who is such a good man. She has been outstanding not only in talents and leadership, but also with warmth and friendliness for a wide range of people. Joanne, we will miss you.

"Where Love Is" touches me so much. I played it on the piano today and thought about the words. With technology at our hands, I wanted to tell Joanne thank you! She brought heaven's truths to earth and keeps touching our life. Thank you Joanne and Norma B. Smith, Marjorie Castleton for your efforts. Clearly this song was written to play for the new pianists and truths shared for all of us to remember to love.
