My sympathy to the family. Joanne was such a special lady. I so enjoyed getting to know her. She had a great sense of humor, and I loved visiting with her. She and Marvin were good friends, always kidding about being the same age. She will be dearly missed by all. Love, Iva

We are so saddened by Joanne's passing. She was a fun person to be around at church. I had the chance to talk to her at our outdoor service during Covid restrictions. She was telling us she was moving to be closer to her family. She was excited but said I'm going to live by myself out there. What a wonderful obituary you wrote. I didn't know she grew up in Morris. My aunt and uncle lived there also. Please let St James know when you are doing the burial so they can let us all know. Prayers for you all for comfort and peace. Jerry and Betty Sultvedt

Nancy & Family - Our thoughts and prayers are with you. Your Mom was a terrific lady and we enjoyed spending time with her while visiting Utah. She led a special life and was always caring and interested in our lives when we connected with her. We will miss Joanne too and send many thoughts to you and your family . Joanne and I were best friends in high school, fellow confirmands at First Lutheran Church in Morris, MN (Reverend Emil Ede officiating), and we sang together in the church choir. We remained best of friends and in regular contact through the rest of our lives. I treasured Joanne's friendship and with her passing, I remain the sole surviving member of a group of about 12 dear high school friends. My sincere condolences to your family.
