

Joanne Stringham Christensen

June 5, 1931 ~ June 12, 2024

Great lady and matriarch of a wonderful family. What a legacy. Never got to hear her play the violin. We love her.

I was blessed to have your mom and President Christensen as my mission leaders for the first 9 months of my mission. I cannot express how much I learned from both of them. I truly and humbly am grateful for all they taught me. Over the years, I got to visit them in SLC. It was always a special reunion. I consider myself so blessed to have known your mom and your dad. They were both remarkable people!

To a beautiful woman and family who has blessed me and our family for many years. Starting with our our husbands playing basketball together at BYU. Then having their son Craig as one of our incredible missionaries in Australia. Fast forward for several years when Craig was my Bishop which brought a strong spiritual strength to our ward. My love and prayers to this wonderful family as their lovely mother moves on and the loss you feel but also knowing that she now in Harold's loving arms welcoming her will be a comfort. Thank you Harold and Joanne for your loving friendship and blessing the Loren and Sharon Dunn family.

Joanne was a kind woman who always smiled at me! She had a lot of personality and grit from what I could tell. She has an amazing posterity. What a woman! We will miss her!

What a beautiful tribute to your Mother from each of you. What an example of a Mother's Love in each of you. It is evident of the parents you had/have in teaching and instilling the Love of the Savior into your Lives. Thank You for sharing your mom's service. I have an eternal love and respect for Your Mom and Dad. Ya'll have the best of the best as Nephi did. You have been born of Goodly Parents whom love the Lord. Prayers will continue, With our Sincere Condolences, Scott & Kim & family ■
