My deepest condolences to Joey's (Rascals) beloved sons, her heart Jesse, Jared, Jonah and Journey, as well as all of Joey's family. I worked with Joey many years ago at the Tax Commission and she was kind to all. I considered Joey a dear friend and we kept in touch outside of work, until I lost her contact information. I have missed her very much through those years. However, there will come a time when we will all see her smile and hear her adorable giggle, as well as engage in her magnificent wit and loving embrace for eternity. May her great presence and eternal unconditional love for you comfort you. May you take comfort in prayer and the love of Jesus and Mother Mary as they surround you and are there to carry you with great love. Jesse, Jared, Jonah, and

Journey your mother adored you always and that continues she will always be with you and the extensions of her beautiful heart her precious grandchildren.
