John will be greatly missed. His welcoming smile, kind heart and dedication to Tesla. John made a big difference in many lives and made the world a better place.

I loved this man's good spirit and kind heart. John was always trying to do better and to help everyone else do better. He loved the Lord and he loved his country. John shared his testimony of the Gospel of Jesus Christ with everyone who would listen. John did not just teach the gospel, he lived it. I have no doubt he was called home by his Lord Jesus Christ to report and into welcoming loving arms. John you will be so missed. I am so happy you are my friend.

Dear Mrs. Washinko, We are so sorry for your loss, my name is David Gulash I am Johnnys cousin. My parents are Mike and Mary Gulash. I remember when Johnny got out of the Air Force, and shortly after he was home we had a really good snow fall and he built this huge bob sled. It was big enough to fit all of his sisters my brother and me. He hooked it up to his car and he pulled all of us on that sled in the snow. I will never forget that we all had a great time, I know it was the best sled ride I ever had. I know that all of his sisters will agree. I will remember him and your family in my prayers. Sincerely David and Julia

I watched brother John a few weeks ago taking such sweet care of sister JoAnn. He was bringing her out to the car and being so sweet and careful with her. I was so shocked to hear of his passing, as it was so unexpected. My dad and John were friends, and I have a few memories growing up of him. I looked up to him and am sad to hear of his passing.
