May Daddy's soul rest easy knowing that he touched a lot of people's hearts. Amy My friend you know we will always be here for you. Strength and light to the whole family during this hard time.

We were sorry to hear that John had passed away. But, we understand that it is bitter=sweet. His family will miss him, but he is also having a great reunion with other members of his family on the other side. They were wonderful neighbors and friends. We miss them in our neighborhood. We are grateful for the love and friendship your family has shared with the extended "White's", as one big family.
