My heart goes out to the family. I know words can't take away the hurt you're feeling. Sending love and strength in this time of loss. "I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories."

—Leo Buscaglia

I still can't believe that wonderful John is gone. He was a huge part of our family, starting in his high-school years. He had all of the attributes of a good man- kind, strong, polite, and when he was around it was like sunshine. I know he loved his family so much! I miss you, John. Till we meet again.
