Natalie I'm so sorry for your loss. Sending you lots of Love, Hugs, and Prayers. You are a special Daughter to care for your Dad in his final journey here on earth♥.

I met John (and Gayje) through Peg. We spent many great times with them in their home and I am so grateful to have been welcomed into John's orbit. Yes, he was the life of the party, but not in a self-centered way. Rather, he was the conversation starter the instigator the spark. He will forever loom large for me and no doubt many others.

John was an amazing man! I loved him and love you Gayle. He taught me so many wonderful things, how to keep my kids from coming out of bed a million times each night, how to talk to people who might be a little standoffish. He was so loving, I always felt welcome by him and his whole family. I am so grateful to have known John and that he was part of my life and memories.

We were so sorry to hear of John's passing! We too will miss chatting as he walks his dogs. John always took a great interest in our family, especially our kids. He was a generous supporter of our annual neighborhood sub-for-santa and was enthusiastic to help with a cause. He is a good man.

Gayle and Girls, Gage and I are so sad to loose our favorite Uncle. He was always so generous to our Lester family and we have such great memories of our family parties in that beautiful yard enjoying John's delicious ribs. We love him and Gayle so very much and will miss him dearly while worrying about our dear Aunt Gayle. Give em hell up there dear John!! Gage & Gloria
