

John E. Wilkins Jr.

October 10, 1943 ~ July 21, 2024

John will be missed in the Wilkins family for sure. He made his imprint on all the family for sure. Setting them up to be successful in life. The times I got to speak with him he always was smiling and wanting to help others out as well. Till we meet again.

- Charles Sipes

I am so sorry for your loss.

- Rene Warby

Uncle John You will be missed by all who knew you. I have some very fond memories of the billiards that you and Aunt Judy owned. As well as childhood memories staying at your house with my cousins when I was young. May God be with your family during this hard time in their lives. I love you all

- Terrie Hatch
