I am so sorry to hear about your loss. I worked with John at UDOT years back. John was a great leader and mentor for many people at UDOT. I surely learned a lot from him. My condolences to his family.

We were very sadden and heartbroken to hear the passing of such a great gentile man. Soft spoken, kind, interested in what you had to say, good listener and a very good friend. Mark, Holly and I missed not seeing John and Marylin at the 2020 RNCF. Mark,may blessings and our prayers go out to you and Marylin and peace bless your hearts for knowing a great soul that touched many. Joe & Holly Bauman

It has been a great honor to know John and work with him over the past several years . I highly respected his counsel as both a member of the Ralph Nye Charitable Trust, and as a partner in family business. John was a unbelievable listener and never inserted himself unless necessary. When he spoke he had something important to say but he was never forceful or condescending. I will miss him greatly. My most sincere condolences for his wonderful family.
