Doug and family, brothers and sisters and their families we are so sorry for your loss. Johnny was a delight. I loved his smile! You always felt good around him. I have many sweet childhood memories of our families and know Johnny is bringing joy in his eternal home. Love to you all♥■ Marsha and Doug

I knew Johnny from county rec softball. Always a help to our team and we were glad to have him around. Always helpful to every one. Shared so much candy with my young kids who learned to appreciate all his goodness as they got older. Thank you Johnny for being who you are and teaching us to be better.
