

John Herbert Jackson

September 29, 1942 ~ August 11, 2023

JoAnn, I'm writing to send my condolence to you and your family. I'm sorry I couldn't be there in person to give you a hug, but I did want to reach out to you. I have enjoyed listening in to the funeral services today. John has a special place in my heart! I will miss seeing him! My fondest memories of him are welcoming him each week to church as he came into the side door. He always had a fun comment to make and made me feel like he loved and supported me. I will miss his sense of humor. I will miss you poking him when he's say something that you felt he shouldn't. I always knew that he truly loved you and his family, even though he'd tease and joke. And listenening to the funeral today, further emphasized his committment to family and his love for each of you. He's a great example to all of us of how to focus on our family. I love John and you. We miss you in our ward. I pray for you during your transition to a new life without him. May God bless you and your family!
