Hello Laura and Family, John was such a great friend to have around while staying at our Green Valley home each winter. We always enjoyed the many Superbowl parties and drinks together. John will be remembered in our hearts forever - may he rest in peace and look down upon us with his favorite drink vodka, water & ice. We will miss you John!!!!

Dear Laura, family and friends of John, On behalf of the United States Submarine Veterans, we offer our sincere condolences at John´s passing. Please know that you are in our thoughts and prayers. We are always saddened whenever a fellow "Bubblehead" departs on Eternal Patrol. He served with honor USS Caiman SS-323, USS Chivo SS-341, USS Trigger SS-564 and USS Gudgeon SS-567. To our "Brother-of-the-Phin" we say, "Sailor, rest your oar. We have the watch. Fair Winds and Following Seas." Thank you for your service to our country. Laura and family... John As we have always known, sometimes there is no reason to raise the snorkel again. Dive deep and enjoy what God has promised us for a life of caring and giving. You were always my shipmate and friend, and I will always remember the good times and bad we had together. You were a great person and a remarkable submariner. Rest your oars, sailor. GT

- GT Shafer

You will also be “Submarine John“ to us and we will miss your tales of naval adventures, your mouthwatering, crusty prime rib and your tender, heartfelt stories of family and friends. Peaceful sailing to you, dear John.
