

John Lewis Platt

March 28, 1935 ~ March 2, 2025

Dear Platt Family, One of the first people I met starting in the funeral industry in Central Utah in 1978 was John Platt with Mountain States Casket Company. The firm I worked with had a great "working" relationship with John as well and a wonderful friendship with both he and his love, Dixie. No matter what was going on, John and Dixie always had smiles on their faces and kindness in their hearts...something we all need to aspire to. My best to the family as you honor the memory of this great man. Respectfully, Gary

Cory So sorry for your loss, Cory. Your dad was such a nice man. How I miss the visits with your dad when he would come to the mortuary and I always thought it was great that your mom traveled so much with him. It's a nice thing to visualize your folks together again. It's been such a long time since we last saw you or your dad at Magleby's. My best to you and your family. Denise Cook
