Christie, I'm honored to call you my friend and to know that during this difficult time, your incredible family will be bonding even more than they already are. I know the loss of your father is difficult for you, being "Daddy's little girl" for so many wonderful years you had with him. My heartfelt sympathy to you and your entire family for the loss of one Great Man.

We are heartbroken to hear of Elder Gordon's passing. Brenda and John were an answer to the Mission Leaders prayers. We had been looking for a couple to help us with the missionary housing. We were lost and finding no success. Then one day, in walked the Gordon's wanting to serve as our housing couple. The Lord could not have answered our prayers with anyone better than the Gordons. They loved the missionaries and the mission and we LOVED them. We will be out of town and miss the funeral. Brenda, we are so grateful for you and your beloved John. We send our gratitude and deepest sympathy to you. John and Sandi
