

John Odell Tolman

January 11, 1935 ~ March 5, 2023

Seminary teachers are life savers! Hillcrest Seminary saved my life. Although I didn't have Bro. Tolman's class, I interacted with him several times in his capacity as principal. I thank him for his devoted service in bringing souls to Christ. As he meets our Savior, now, he might get a glimpse of the impact of his tremendous life. Thank you, Brother Tolman.

Thank you Bishop Tolman for your service and love and care of the Butler 10th Ward. I remember you saying how much you wanted to meet the prophet. Joseph. I hope you're having a good conversation. Condolences to you. Joan and to your children. Love and prayers sent your way.

It is with great sorrow that I send this message to John's dear wife and family. He was a great supporter of mine and a very good friend that I could always rely on. We have had such good times when we were together and he made sure to remind me of the ever presence of the Lord in his family, and in his heart. I can feel his influence, and

love in my life daily, as I too have lost my mate 18 Months ago. My heart felt sorrow and love go to your family in this great time of grief. May The Lord bless you through the coming days and months, knowing that he is a true and faithful servant.

Kathy, Bishop, and Family; We are grateful for the knowledge we have of the resurrection. We know that you will be reunited with your father and grandfather again. We love attending the temple monthly with you guys, it is a highlight we look forward to. May you find peace knowing that your father and grandfather is no longer in any physical pain. Love you all.

I want to express my condolences to Joan and all the family on the passing of their wonderful husband and father. I was able to work with John on the board of the Thomas Tolman Family organization where he served as President for many years. He was a dedicated and effective leader and I appreciated his wisdom and friendship as he worked for the blessings of the Gospel to be available to our ancestors. I am sure there is much rejoicing on the other side by many who have benefitted from his faithful efforts!! Love to all the Tolman family. Kristie Tolman Pitts

Joan, I'm so sorry I didn't hear of John's passing until now. We were living in St. George. We've known each other for a long time. I hope you have found comfort in knowing he is with our Father in Heaven and is with family that have already graduated. My husband passed away that same year in May. May the Lord and your family continue to bring you comfort. With deepest sympathy, Your friend Jaci
