So sorry to hear of Phil's passing. We attended school together in Hopkinsville. Both Phil and Jim were great friends growing up together. My condolences to his family and Jim's family.

Fly high my good friend , schoolmate and comrade. You were a great friend and fought many human and equal rights battles with me . For that I appreciated as I admired you . Rest in peace my brother and I know each battle you will be in my mind sharing your thoughts . Bobby J
