I have been reflecting on all of the Priesthood callings that we served together. High Priests Group Leadership was an opportunity I really enjoyed. I still remember the excellent lessons he gave with all of the Oak Tag strip lesson plans that Pyper had prepared for him. Wish you the peace of the gospel and the many memories that will bring love and tenderness to you.

Dearest Garff Family Will miss this good man. Doris had the privilege of working with Rob for twenty years and also the privilege of being neighbors raising our families together for many years. When we talked he always was so happy with his family and especially Penny (he loved and took great interest in each ones of his family members life and wanted to create an interest with each one(like photography,building fishing etc). Always impressed with his calmness ,caring, and teaching (especially the Gospel.) He will be missed , but also know he will busy in Heaven using all his wonderful skills. Love Garff family wishing you our condolences David Doris Anderson Family

Dear Penny and Family: We were saddened to hear of Rob's passing. He was such a kind and thoughtful man. i still remember when he was our Home Teacher and Brent was out of town and our water heater failed. He came

over and did what was needed. We remember him with fondness as we do all of your family. Sincerely, Brent and Jann
