February 24, 1944 ~ January 23, 2022

Met him a couple times, he will be missed.

John was my first husband and father to our three sons. All of my family including my daughter wish to send our love and sympathy to Sherri (who we all love and are very thankful for) and the rest of the family. In my personal opinion, he has finally been set free. Rest in Peace John. My memories will always be of the early years as the good ones, listening to him on the radio. He took me to an Everly Brothers concert before we were married and had a backstage pass, so we actually got to talk with them. This is probably my favorite memory.

To Sherri, Our Greenwell Family, Our Extended Families and Friends. My Deepest Condolences Love and Prayers to All! Thank You Sherri for Loving and taking care of John. I am sure he is smiling from Heaven. I am so very Grateful that in this life John gave me Three Beautiful Children and a marriage of 17 years. Besides our Children, John left us the Most Precious Gift of All, His Love and His Memories .May it live in our hearts Forever.
