

John Vance Lucas

February 19, 1971 ~ March 16, 2024

My sincere condolences to your family. John and I were high school classmates. I joined his truck club right after high school and we had a lot of great times together. I believe Andrew, who was just a baby at that time, was with us quite often cruising in our trucks, attending truck shows, and a lot of great parties. I wish I had photos during that time, but back then it just wasn't a thing to have a camera on hand ;) yep… we were that old! I lost touch with John after the club and only recently became Facebook friends again. I wish I had a chance to visit with him as this comes as quite a shock. Sending my prayers and best wishes for you all. ■

I too was a high school classmate of John’s. Shortly after high school, I ran back into John and joined his car club “The Untouchables.” We had a blast cruising State Street, doing car shows and having bbq’s. Life takes us in different directions but I always considered John a friend. My sincere condolences to the family.
