

John William Holt

July 18, 1927 ~ August 17, 2024

As the last of his family, we will certainly miss our Uncle John! I've looked up to him my whole lifetime as a favorite uncle! He and Aunt Marilyn were special to our family. They and their kids were the city family and we were the country family!! We had many happy family get-togethers at Grandma and Grandpa Holt's on holidays throughout the years! I'm sure there was a happy family reunion as John rejoined his family again last Saturday!! Sending love and sympathy to you Annie, David, and Karen at this sad time!!

Annie, sincerest condolences on the passing of your father and mother. I remember meeting your father at a summer party on your patio back in 1993. He was a smiling, warm, and engaging man and it was a pleasure to spend time with him. My best wishes to you at this time.
