

Johney Blain Colledge

February 8, 1940 ~ January 30, 2025

I'm so very sorry to hear of Johney's passing. He was one (probably the best one) of my trainers when I began at UTA 49 years ago this month. He remained a good friend through the years and will be missed.

I am very sorry to learn of Johney’s passing. When I started with UTA in 1972, he was one of my trainers. We also worked together at TRAX as operators. He was a good man, and I feel privileged to have known him.

Losing a loving father is so challenging. Reading his obituary and your memories of Moon Lake, that is a fun place and a great place to have memories. May the Lord bless you and comfort you during this difficult time and may you have wonderful memory to ease your loss. You & your family are in my prayers.
