Barbara, I’m so sorry for your loss. Jon was always a favorite uncle for me. You two will always have a special place in my heart. I’m so happy you have your family to help you. You are truly blessed to be a strong woman and I know you will remain strong. Much love , Kim

Very sorry to hear about Jon. I have heard a lot of stories about him on the McDonald side and most were told with smiles on their faces. Truly a great man, I always enjoyed spending time with him, and yes he always had me smiling. May you find peace in knowing he made his journey home.
