I'm grateful to have known Jonathan through his teenage years. Always up for a chat over a burger and shake, I have wonderful memories of his inquisitive mind and caring spirit during those conversations. Many condolences from us to the Morris family!

Brad and RaNae: Absolutely shocked to hear this sad news about Jonathan. We have so many fun memories from when the kids were young, growing up across the street from each other. May your wonderful memories of Jonathan be a blessing (as we say in our faith). We are all sending you virtual hugs and strength from the Seattle area.
